

guests on planet earth

Can sustainability and hospitality peacefully coexist? Dozens of designers and manufacturers responded with a resounding “yes” as *Interior Design* convened the Futuregreen Hospitality Forum at New York’s Crosby Street Hotel. Editor in chief Cindy Allen and president Mark Strauss teamed up with Stonehill & Taylor Architects principal and director of design Michael Suomi to lead the daylong event, which included presentations and group work sessions underscoring the significance of eco-consciousness in hotel and restaurant design.
